digital bulletin.

## ANNOUNCEMENTS 5/5/2024

### BETHESDA Mission

ESBC will be leading the Worship Service at Bethesda Mission Men's Center **tonight @ 7pm**, located at 611 Reily Street. No need to sign up, just come and join in the singing led by Sam and preaching by Elder Tom.

Those who come will be sure to have opportunities to engage the men in God-conversations during refreshments afterwards. See any of the **Elders** if you have questions.

### VACATION Bible School

Are you ready? Come join us at Breaker Rock Beach where we will learn God's rock-solid truth in a world of shifting sands. We need you! Why not start praying now and see what God wants you to be this summer!

**August 12 - 16**

We are looking for help each night, Monday through Thursday, in the nursery and in food and games for our popular family fun night on Friday. We can also use floaters for any other area you may be interested in. Please let Jen know if you are available and what area you would like to help with.

All volunteers, adults and teens, will receive a free T-shirt. Please sign the sheet at the Resource Center and mark the size you need, whether adult or child-size. If you wish to buy a shirt for your child who is attending VBS, you can also sign up on that sheet, the price is listed.

If you have any questions, please see **Jen Gelert!**

## EVANGELISM Update

Here are some examples of how our members have **"shared the gospel"** this past week. These examples are meant to encourage you to share the gospel and to have God Conversations where you live, work, and play.

- Two of our members prayed with a landscaper who was working in their neighborhood. Through casual conversation he shared about a troublesome court appearance that he had to make this week. Our members held his hand and prayed with him at once. He was very appreciative.
- One of our members used an interview for a local, township online newsletter to exalt Jesus. Surprisingly, while a secular newsletter, the editor kept in all our member's comments about serving Jesus Christ.
- And finally, during our Election Day Ministry here at church, one member--after offering snack and printed materials to a gentleman, engaged the man in conversation. Eventually the man revealed that his wife goes to church but that he does not because of the way so-called "Christians" had treated him in the past. After listening to the man for some time, our member was able to share their testimony, pray then and there with the man, and invite him to ESBC. The man was very impressed that our member took the time to listen to him and to pray for him. What a great divine opportunity!

So, what have you done to **share the gospel** lately? Pray for opportunities and be ready when the Lord gives them to you!!

**How can you share the gospel more in 2024!**
